

Classroom Features

- Software**
PC is installed with Ink2go for annotating and recording classes and ZOOM for conferencing and remote participation

Document Camera

- Display or annotate physical documents by placing them under the document camera

Computer Mounted Camera

- Webcam mounted on the monitor is designed to capture the instructor's image and voice when at the teaching console.

HDMI Connections

- Connect your own laptop with built in HDMI cables.

Troubleshooting Tips

- Can't connect to wi-fi**
Connect to the "eduroam" WiFi network, log in using your GMU email (i.e. netid@gmu.edu) and password

- No Audio in Zoom/Teams**
Set speaker and microphone settings within the conferencing software to "AV Bridge" or "Crestron"

- No Sound from connected laptop**
Set device audio output device to "Crestron"

- Can't see Doc Cam in Zoom/Teams**
Set the camera within the software to the document camera. Then share your screen within the software

Start System - press anywhere on the touch panel
