

George Mason University and Mathworks are offering a campus-wide license to MATLAB, Simulink, and 100+ companion products. Students and faculty are covered by this campus-wide license thru June 30, 2020 and can install software on their home or laptop computers. These products are needed for coursework and multiple research endeavors.

Access instructions:

1. Go to our [MATLAB Portal](#) to see a list of available products and get started.
2. Click *“Sign in to get started”* under the *Get MATLAB* section.
3. *You will be asked to create a MathWorks Account. Once you do that, you will be linked to our MATLAB license and will be able to:*
 - *Download and activate software on your personal computer*
 - *Start using MATLAB Online from a web browser*

If you have trouble installing MATLAB, go to the our [MATLAB Portal](#) and click *“Need Installation Help”* to get support.
