

## Online Teaching Coaching Newsletter

By subscribing to the Stearns Center **Online Teaching Coaching Newsletter**, you will receive a newsletter issue about every 2 weeks during Fall 2020 semester. In each newsletter, you will receive tips, guidance and resources concerning a specific online teaching topic. For the first month, you'll receive a weekly newsletter. Then you will receive the newsletter about every 2 weeks. Occasionally you may receive a special issue of the newsletter (*i.e.*, outside of the biweekly sequence) or a two-part issue. If you have a special request for online teaching information that you'd like to receive in a future issue, please contact [stearns@gmu.edu](mailto:stearns@gmu.edu). We will add your requested topic to the Newsletter list, create a special issue of the Online Teaching Coaching Newsletter, and send it out to all subscribers.

You will receive the Online Teaching Coaching Newsletters throughout the Fall 2020 semester (from September - December 2020). The Newsletter will be available as a downloadable PDF, so that you may save and refer to the online teaching topics when you need the information.

The first issue of the Fall 2020 Online Teaching Coaching Newsletter will be emailed to you later this week (following Labor Day holiday).
